What I'll always miss about Uncle Mike, is his big smile, his jokes, his big bear hugs, and his love for people… You'll forever be missed and in our hearts. Love and miss you Uncle Mike. Love Always Sammy.

My most treasured memory of Unko Mike was that he was always a burst of happiness, not once would you see him frown. Most people who came across Unko Mike would've viewed his personality as loud or a bit rude, but to me he was someone I could only wish to be someday. He spoke his mind and displayed his emotions like you wouldn't believe. He was an open book who's story came to an untimely end. I will forever miss you Unko Mike and your big smiles & hugs.
Love always,

Words can't express the loss and pain I'm feeling of your passing. God took two of the men that meant the world to me and the girls. I meant to call you after my husband's funeral but needed time to have the courage to call you, instead I got the call of your passing. It broke my heart, and I can imagine how your family are feeling. Always know that you'll always be my bestfriend until we meet again . I love you and miss you everyday. JULIET FOSTER

Uncle Mike was a very wonderful man who always brought joy and comfort to my mom Juliette. She would always laugh and have the biggest smile when talking about stories of her and uncle Mike. Even the rare but memorable times where he would visit us will always stick with not only her but us as her kids seeing the joy and laughter he brought to our family as a whole. Uncle Mike, my memory of you was when you came over to have a bbq with us. I was young but I remembered how much fun everyone had and how happy it made me to see my parents including my dad enjoy your endearing presence. I know right now you're in heaven with my dad Mark probably having another bbq, drinking some beer (if that's even allowed) and sharing some laughs, rid of pain and stress from this world and in the loving hands of God. I wish I got to spend more time with the man who was my moms best friend. But right now, I bet you're more best friends with my dad so say hi to him for me too please. I love you uncle Mike, and may you Rest In Peace and love ❤️.

Love,
Haley
