“ Arnold was a “one of a kind” friend who called us Mom & Pop! Such a kid at heart and that was a heart of gold for sure. We never needed for anything that was within his power to get for us! Never more loved! Going back to AC we've known this precious family for many years and shared some pretty special moments with them as well! So many good memories—too many to mention. We're gonna miss him sorely but are grateful for him to have the ultimate healing from so many earthly challenges. RIP Arnold as we all grieve your absence from us, May your immediate family find peace in your passing that passes all understanding. You truly was “one of a kind” and will forever be in our hearts”. To the family..our thoughts and prayers are with your but our immune systems have checked us off the attendance list for services. We love you so much! Fred & Nelda Eichelbarger
