

Barbara Jean Hernandez

September 24, 1942 - January 19, 2022

Barbara Jean Hernandez was a caring wife, mother, grandmother, sister, and friend. She left us on January 19, 2022 at age 79.

She was born to Ernest and Lola Bowen on September 24, 1942. It wasn't long after high school when she married Richard Norton.

Together, they had three children: Rick, Linda, and Susan.

She loved spending time in the kitchen. If she wasn't in the kitchen, she would be out visiting with people. She loved to love on people. Her life was a living example of the Bible verse, Ephesians 4:32 - "And be kind and compassionate to one another, forgiving one another, just as God also forgave you in Christ."

Please join us in celebrating her life at Trinity Southern Baptist Church on Friday, February 25th at 11:00am.

Comments

“ When Barbara Hernandez married my brother Mario and became my sister in law, she became my friend! She and I would talk about and recipes, spices, our kids, extended family members, our husband's and many other things. She did her best in taking care of my brother from the start of their marriage until his passing in 2013. My brother was blind due to Agent Orange in Vietnam and sometimes a little difficult for her but she stayed true to her promise she had made to me when they were dating, that she would stay by his side and do her very best to care for him always. She was a "GREAT Friend, good sister in law and always had so much love for her family, loved and enjoyed her grandchildren whenever they came by to see and visit with her.

She will be greatly missed but my memories of her will help me heal from the sadness of losing her. Our family sends our deepest condolences and sympathy to all her family members. Our thoughts and prayers are with them.

Sincerely,

Tha Stepuch and Hernandez families.

“ Barbara taught me at a very young age what a hug or kind word could do to your soul. She said things to me that brought sunshine on a rainy day! We talked alot in the last few years. Thank you for all the memories from being a young child to the rest of my life. I'll miss you Barbara but will see you again.

“ Barbara was indeed a loving and caring person. I never heard her talk bad about anyone. She would take care of my siblings and I when our parents would go to Reno and it was always a good time. Barbara will be dearly missed by our family.

“ I went go pick my mom up from a day surgery and I had my daughter with me she was about 4. So my mom gets in the car and she had said something to the nurse. Well she had no teeth in and it was hard to understand her. My daughter in the back said grandma put your teeth in I can't understand a word you said. My mom laughed so hard. We would talk about that sometimes. Those moments in life are the greatest.
