“ Sue & Laurie - I was thinking of your Grandma and Grandpa Summers on my way to work tonight. Was so sorry to see Donna had passed. Always enjoyed our visits when you all would come out this way in our younger years. You all are in my thoughts and prayers. Vickie Crouch Smith

“ Such a lady. We had the joy of living across the street from Donna. Her soft spoken words and grace were always a blessing. She often hosted afternoon "teas" with the ladies of San Madele in attendance. A jug of wine was always chilled for the special occasion along with popcorn or a sweet treat. We shared great giggles and even costumes on occasion. A favorite with our Chinese day when we all dressed in Asian attire and ate take out Chinese food on real chinese China plates. On Halloween, Sweet schemer Donna would sneak over and "gift" my porch with pumpkins, a rat and giant spiders (faux, of course). We enjoyed campfires in our driveway as neighbors She and Jack always showed up with something tasty to share and their lawn chairs. Our neighbors became family to us. We enjoyed the Enrights and their family. We were so appreciated the love and care they gave Donna.

I'll remember Donna for the sweet, kind and lovely lady she was. Enjoy your new wings and refound joy, Donna June and tell Jack hello for us. We will see you in Heaven one day. I hope you have "tea" ready.

“ Donna will be sorely missed by all who knew and loved her. I am Susan's sister-in-law, and spent some lovely days with Donna at Clay and Sue's home in Los Osos, CA when she would come to visit. She loved to go on adventures in the car and I would take her on day trips all over the Central Coast. She thoroughly enjoyed going to Chumash Casino, eating out (chicken strips was her favorite) and just being out and about. I will always remember her sense of humor and how much fun we had together. Rest in Peace dear Donna.
