“ Hi Byron, I know this is a difficult time for you and your immediate family with the passing of Linda. She was such a kind loving person and mother and grandmother. She always had a smile on her face no matter what was going on in her midst of her life. It was a shock to everyone that knew her its seems I know she was your rock and kept you going when things were difficult. You two had a great relationship for 50 years plus. Remember the good times you had together. I am sure shes looking down on you from heaven with a smile on her face and urging you live your best life you can now that she is gone from this world. If you need anything at all, Brenda and I are here for you any time or anyplace you need us. GOD BLESS YOU AND YOURS, Love ya Dave and Brenda Williams. Til we meet again

“ My name is Sandra Holman Purkett. As you may have read, posted by my sister Nancy Holman Fisher, Linda and I became life long friends as a result of many wonderful summer vacations spent together at Bass Lake, Ca. The first road trip that I was allowed to take after getting my drivers license was to Linda's family home in Fresno where my sister Sue and I spent the weekend. Sue and I slept on the floor of Linda's bedroom, it was a great time. Linda and I remained life long friends, staying in touch through the years by phone, letters and texts. We share July as our Birthday month (Linda was one year younger) which made her passing even more difficult for me to deal with. Happier were the days at Bass Lake, swimming, beach party campfires and the 3 nights each week that we went to the teen age dances at the Falls. Our daddy's would take turns waiting up until midnight when the dance was over to come pick us up. True and life long friends do not come along often and Linda certainly was the diamond of them all. My heartfelt wishes to Byron and family and Jan and family. May the beautiful memories of this very special woman fill a few of the holes in your hearts that her passing has now left you with. With Loving Memories, Sandra

“ May heartfelt sympathy to Byron and family. I worked at McCormick Barstow the years that Linda was there. She retired in December of 2016 and I followed in 2019. She was such a sweet, sweet person. I enjoyed going into her office who she shared with my coworker and talking about everything going on in our lives. She loved her job and most of all talked of her love of her family and pets. We continued the friendship after retirement from the Firm and meet for lunch with our friend Becky but not nearly as much as we would have liked. Gone too soon.

“ I was so sorry to learn of Linda's passing. I worked with Linda at McCormick Barstow for six years prior to my retirement. I would hear from her occasionally via Facebook. She was always so kind and sweet. She was a great gal. My condolences to her family. She will be missed.

“ My family and the Scheidts met while camping at Bass Lake when we girls were all very young. Every year from the time we met, our Mothers would coordinate vacations and we would all unite at Bass Lake for two to three of the best weeks of our lives. While Jan and I were younger than Linda and my sisters group of friends, I remember Linda as kind and gentle, always a smile on her face, and easy going. I remember the year she brought Byron on vacation with her. Little did we know they would be together for the rest of their lives. Deeply saddened by the struggles and illness Linda endured in her last days, my heart goes out to Bryon, Jan, and her family for your loss and heart ache. With sincerest sympathy, I pray you find peace in your memories of her. With deepest condolences, Nancy Holman-Fisher
