Wayne Charles Gartin, age 50, passed away suddenly at his home in Fresno on Saturday, September 7, 2019. Wayne was born October 19, 1968, in Fresno California to parents Clifford and Madeline Gartin. Wayne spent his entire life in Fresno, Attended Roosevelt Elementary School, El Capitan Jr. High, and graduated from Central High School in 1986. Wayne was a member of the Boys Scout of America, Troop 93 and received his Eagle Scout Award, He was very proud of that achievement. After graduating from high school, he worked at several jobs, but especially enjoyed working for Cobbs Hardware. In 1989 he moved to his own little house in town. He loved his hopuse - the neighbors once voted his yard the best in the neighborhood. Wayne loved his family, anything "Star Trek", the color blue especially his blue 90 Chevy pickup,, the outdoors, spending time in Yosemite as a youngster with his parents, nature, was worried about the environment, outer space, loved his fish. He enjoyed the National Geographic the Smithsonian magazines, and read each from front to back. He had an inquisitive mind and strove to find answers to many questions. He was very proud of his Dad's Military service and had great respect for our veterans. He was talented making graphics on the computer and hoped to make a name for himself in this field. Wayne is survived by his loving parents, Clifford and Madeline Gartin, as well as many family members and friends. His departure from this life leaves us with a heavy heart..... there are no words to describe our sadness at this very difficult time..... we loved him dearly. Any remembrances to the Veterans Memorial Museum in his name would be greatly appreciated.
