

Rev. William "Willy" Lopez

May 25, 1960 - February 24, 2020

William Chavez Lopez went to be with his Lord and Savior, surrounded by his loving family, on February 24, 2020.

Willy, as he was affectionately known by many, was a man of God and service to people. He was the Pastor of David's House of Worship in downtown Fresno for many years. Serving the community of faith, Willy continued his ministry by serving as a Funeral Assistant at Yost & Webb Funeral Home for over 12 years.

Aside from serving the people, Willy enjoyed spending time with his family during camping trips, playing his guitar and most of all cherishing his grandchildren. He was an avid fan of Fresno State Football and the Raiders, always rooting for a win. Willy will lovingly be remembered for his several small projects that he never completed.

He is preceded in death by his parents Manuel and Ramona (Chavez) Lopez and a sister, Frances Garcia.

Willy will be missed by his loving wife of 40 years, Gloria Lopez; his children William Andrew Lopez, David Anthony Lopez and his wife Rose, and Stephanie Anika Medina and her husband Daniel; his cherished grandchildren Daniel Medina Jr., Sarah Medina, Joshua Medina, Olivia Lopez, and Gabriel Medina. He also leaves behind his siblings Jennie Wilson, Rosemary Litton, Connie Valles, Julia Nazario, Clara Lopez-Celani, Gloria Garcia, Manuel Lopez and John Lopez.

Visitation will be held at Lifepointe Worship Center on Saturday, March 7, 2020 from 9:00 a.m. to 10:00 a.m. A celebration of Willy's life will follow at 10:00 a.m. Interment will follow at Belmont Memorial Park.

“ Being a youth with his boys Willy Jr and David I would go visit them when they lived right off McKinley when he had the little Chevy luv. David and Willy abandoned me for thier PS 1(blitz). I was left alone with thier dad Willy and I can remember him asking me "mijo what do you want to do for God? And the church? You are young and you have a full life ahead of you. You don't have to answer but just think about it". I often would because of that particular convo I had with him. I'm going to miss him talking trash on the 49ers and the nice conversations I would have with him. Praying for the Lopez family.

“ I met Willie when we moved to Fresno in 1980 and started attending Bro. Fair's church in Pinedale. It would be impossible to forget that friendly smile nor would I want to!! My wife and I spent lots of time with him and Gloria and I never questioned his choice for her as a soulmate, but I often questioned hers!! He was a good friend and always the same every time you saw him. He was one of the good guys. This is such a tragic loss and way too soon.

“ My condolences to the family. I remember meeting Bro. Willy, on my first trip to Fresno. He told me all the funny embarrassing stories about Jessica growing up like a member of his loving family. His love was inviting and generous. my wife and I are still in shock. We know times like this words ring hollow but we pray that the Lord will comfort in this time of grief.

“ Paying Tribute and honour to a LIFE WELL LIVED! You don't get to really KNOW many giants in life, but Willy was one of those great men of God that don't get a lot of recognition while they are with us, but when the Lord comes and says " Okay Willy , Time to come home !" they leave such a gap , one that is bittersweet , filled with so many wonderful memories.

The best years of my life were spent as Willy Lopez friend and brother ! I know you are supposed to be terribly SAD when someone passes away, but oddly enough so many goofy moments, laughing til your sides hurt, and at the same time HOLY memories of reaching out for the lost there in Pinedale just make it like One minute you are laughing, then crying, then laughing again.

The old song says MAS ALLA DEL SOL... MAS ALLA DEL SOL.... YO TENGO UN HOGAR, HOGAR BELLO HOGAR MAS ALLA DEL SOL...

I can almost see good old Willy, healthy, happy surrounded by so many of those who have gone on before, Lily Castro, Brother Fair, Steve Walker, Sister Lopez, Brother Avila, on and on and on maybe having a barbecue like we used to have in Pinedale, catching up, waiting for the rest of us who have made Jesus our choice.

Like the old song says THAT will be a GREAT REUNION DAY !

“ Pastor López was my first Pastor that I met when first came to Fresno. He allowed us to open the our first outpatient aftercare clinic for Alcohol and Drug Addiction and Mild Emotional issues at his church David’s House of Worship. So all the people we helped there are part of the jewels in his crown. That’s a heavy crown Pastor López. I am so glad to have known you. Save us a spot and if you run into any of my family tell them I am continuing the work. We loved you and will continue to pray and love up on your family.

“ A memory of Willy is when both James and I went to Fresno for a couple of weeks during the summer when we were kids. We used to go swimming in the pool across the street and in the Reservoirs. He also used to tell us scary stories about a Weeping Willow tree that scared the crap out of me.

We went to church with Willy and he received, I think 3 live goldfish because Willy brought the most visitors to the church that summer. Those 2 weeks were fun and a special memory.

There are many memories of my cousin, almost too many to list.

I will miss you, from your cousin, Alex Escobedo

“ Oh my brother Willie we're going to miss your alto singing we What are we going to do without you were the only boy who would sing in our family no one's going to be able to replace you left an empty spot in my heart.

But God had other plans for you but it brings me joy to know that you're no longer in pain but your Christian race is now over and now you are rejoicing with our mom.

Love you and miss you things will never be the same until we meet again.
