“ George was an old friend of my Dad's and had been a part of our lives since I can remember! Throughout the years, every so often he would stop by my Dad's house to visit (aka BS session) and make him laugh. He always had a good story to share. He really helped me out when my Dad passed and I'll never forget that. He was a good friend and I'll miss him. Rest in peace George.

“ George's mother, "Jessie June" and my mother, Verna Haney Mitchell, were best friends. We shared many stories about the trials and tribulations of raising rowdy boys. George and I were both on the Madera High School swim team. This past year, my husband and I have had many a laugh over George's posts to FaceBook. George had a kind heart. We'll miss him.
