“ Daddy.... my heart hurts for the loss of you! Yet, at the same time my heart is happy you are no longer suffering! Everything is so surreal.... I miss your voice when I come home and you say "hi mija" and me giving you forehead kisses when I leave saying, "I love you daddy" and you hold my hand! You will forever be my hero! The man I look up to! The man I strive to always make proud! Hug my mom for me! Oh daddy..... I'm so going to miss you 😞

“ I have many beautiful memories of spending time with my cousin Stephanie and my grandparents for summers and weekends. My brother was very ill as a child, which lots of times I was able to spend it with my grandparents. I have fond memories of wonderful meals at the family table, family trip to the casino in Nevada. Lots of weekends and summers hanging out, laughing as a kid, and know the best place to be is with their grandparents if mom and dad weren't around. I remember of him cheering on Raider games, and watching 20\20, lots of bar b ques, and family time. He was able to provide beautiful memories for me to cherish for the rest of my life. He will be missed. Love you Grandpa.
