

## Alfredo Morales Mendoza Jr.

October 22, 1982 - August 5, 2022

We are gathered here today in the memory of our loving brother, Freddy, so that together we may acknowledge and share both our joy in the gift that his life was to us, and the pain that his passing brings. In sharing the joy and the pain together today, may we lessen the pain and remember more clearly the joy.

Alfredo was just 39 years old when he passed away on Friday, August 5, 2022 in Hanford, California. He was born on October 22, 1982 here in Hanford, California to his late parents Pa Alfredo and Ma Carmen Mendoza. Freddy spent his time with his loving parents and his beloved oldest sister Mercedes Mendoza.

After graduating he took them everywhere. Do events to doctors appointments. He just loved spending time with them and traveling with them.

Freddy was very close to his family, to his friends. Growing up with Freddy as one of the youngest children of 8 had a big role in his life. Being one of the youngest wasn't easy. He kept us on our toes. He would be funny and caring all the time. Freddy was always on our side and made sure we all were safe and taken care of. Freddy was good to his friends and employers his godchildren and the inter family.

As he worked in the agriculture field he loved his job. Freddy worked hard, but he also enjoyed his quiet time. He loved to play with his nieces and nephews

and his pride and joy his godchildren.

There are a lot of stories that we all carry close to our hearts.

There were other things besides spending time with his family, after the passing of his parents and sister he was a quite guy. He liked to listen to all types of music and BBQ for us. He enjoyed watching

Many of you will recall Freddy's huge smile. He will strong be missed. His love and memory will stay with us for ever. Freddy was a man who didn't have a mean bone in his body, a warm friendly man who made his mark in the world not with grand gestures or fancy titles, but by the basic goodness and generosity of his character, by the quality of his involvement with his fellow man, and how he brought out these qualities in others. Thank you Freddy for all your love. He leaves behind his siblings: Gonzalo, Lourdes, Virginia, Juan, Carmen and Dolores Mendoza.

You leave us with broken hearts but we know you are in Gods hand. Until we meet again. Say Hi to all of our love ones up in heaven.
