“ *Aunque sabemos que nuestra hna en Cristo ya triunfo..no deja de ser triste el ver la banca donde se sentaba en la iglesia de National City, y no verla como cada servicio alabando a Dios. Dios conforte a su familia como solo El saber hacerlo.*

“ *A few months ago I decided to drive thru Santa Barbara to visit my aunt Dolly when I walk in their sat my Tia Licha stayed their about 45 min. When I was about to leave I ask her are you going north or south she said north I ask her to come with me. I enjoyed her coming with me. I will always treasure that ride forever. Not knowing that would be her last ride in my car. I will miss her.*

“ *It's still so unreal that my lovely Tia has left us! There is definitely a big void in our family. To my cousins Murillo we stand with and along side of you all during this trying time . Mucho amor!*

“ *Sis Alice has left a legacy and an example of a virtuous woman she bless my life so many times in many ways .
"Death is not a period that ends the great sentence of life, but a comma that punctuates it to more lofty significance. Death is not a blind alley that leads the human race into a state of nothingness, but an open door which leads a woman into life eternal. Let this daring faith, this great invincible surmise, be your sustaining power during this time*

“ I still can't believe she is no longer with us but cling dearly to the many great memories I have of my big sister. I always saw her as a woman that I could look up to regardless of our 18 years age difference. In my eyes she lived life to the fullest, and she always encouraged me to do the same. My husband, children and grandchildren will miss our fun and loving "Licha/Tia Licha" 🌹💔 Until we meet again.
