“ For many years working with your wife Marlis we shared alot together and one of the highlights as all three of us got an unexpected but wonderful surprise when we became grandparents for the first time. I know it is difficult with the loss of you to your family but they can find comfort in knowing what a good man, husband, father & grandfather you have been here on earth. God Bless you up there and your family thru the struggle of healing.

“ I first met Allan when he was 12 yrs. old and I was 14. He was walking to the pool hall. I was sitting in my front yard and he stopped to say hello, I didn't know then that he would be my future brother-in-law. I have so many memories that I hold close in heart. Time and circumstances took us in different directions but Allan and the Armstrong's will always be my family. I wish we could have been there today. Our love, thoughts and prayers are with you all at this difficult time. Cherie and family

“ *I'd hit a jackpot in poker. Promised the 'poker gods' 20% to Toys for Tots. Alan drove us*

around in his truck filling the back with hundreds of toys (mainly from Toys r Us). We went

down the store aisles like we won a spending spree, no time for checking prices, just

tossing in the cart. Then to the truck, then to a Toys for Tots sponsoring radio station,

dropped them off to a shocked radio jockey and home- laughing all the way.

Never will forget that.

“ This past weekend while camping we pulled out a tub of red vines and it reminded us of my dear uncle and his OBSESSION with them! My earliest memory of him was when he bought me a Harley Davidson t-shirt when I was... maybe 3 years old?? And a "flip the bird" shirt... which had a "not so appropriate" image on it 🙅 I don't really remember any time in my life before him being in it. He will be missed tremendously ❤️❤️

“ How do you choose a favorite memory of the person you called your Father aka “Pops” for almost 30 years? There are so many fun and memorable times our family had together and we will cherish them all. I am so blessed that Pops is my Father in Law, and was able to grow up with him in my life. He will be sorely missed and will always be loved by so many. I have faith that he is riding a heavenly Harley and watching over us, protecting his family as he always did. Xo
