“ *Alan was my supervisor and my friend. We had many good coversations. It was very clear that Alan loved his wife very much. He loved his family very much. He was always combating his health issues but that never stopped him from helping others. I always knew that he was only a phone call or text away and that gave me comfort. We would talk about our mutual time working patrol. He with the sheriffs office and me previously with fpd. I considered him my brother. I will miss him*

“ When I was hired by the Sheriffs Office 3 1/2 years ago it was Allen who gave me a tour of the all the courthouses that the sheriffs office provided security for. He was a very friendly person, and I appreciate the time, and advice he passed on to me. I know that he is resting in peace. May God bless his family, his friends, and his law enforcement family as we all grieve over his loss.

“ Allen was a great Motocross rider! We had many good times ridding dirt bikes together! I remember when he ran the Huron cycle park and helping him prep the track for the races! He showed me how to do a top end on my YZ 125! One time I went with him to race in Adolanto Ca, we were staying at a motel 6 The night before in Victorville , ca , I wanted to buy some beer to drink with our pizza ! There was a bar next to the motel and Allen and I walked in there to see if they had off sale of beer! We didn't know it but it was a gay bar And Allen wanted to kill me for taking them in there! Lol Allen and I had some great times back in the 80s and 90s! I know you knew Jesus Allen and I know you're with him now! My prayers are for the Passmore family !
