“ *My fondest memory of my mother was her love of family and friends. She loved being included in all celebrations, holidays, and time spent together.*

Janyne Auston - February 04, 2016 at 01:18 AM

“ *I'll always remember Alma for her laughter and fun spirit - she was always ready to go on an outing, out for dinner, do projects, or just get together and visit. I know she will be missed by her family! I want to send my deepest sympathy.*
