“ *I like to start off by saying how wonderful and beautiful Anarbol was as the Man he was. And for you as a family to accept me into your family as one of your own family members. I am deeply saddened by the loss of your Son/Father and also the Man I truly loved who was also my bestfriend. That we all deeply loved and cared about! Im truly sorry I was unable to attend Anarbol's service. During this hard time of Grieve and Sorrow. I am sending my Prayers and Condolences to the Family and Friends of Anarbol Vargas. But especially to his Mother and Father and his Son and his Brother's and Sister's. But always remember during this time of Grieve and Sorrow. We all have a Beautiful and wonderful Guardian Angel always that will walk and be with us all. Again Im sending my Condolences and Prayers to the Family of an Angel. We were all blessed with and got to know as a Good Son and an excellent father and the best brother anyone could ask for.*

“ Anarbol you were someone who had a outstanding sense of humor great personality and tried to find the best in people even though other people said your wasting your time, but that's what made Anarbol Anarbol right ? . Now you've gone to go visit heaven's gates to be at peace . You will be missed by many friends and family ..thanks for all the memories and for being a friend when I needed one also for helping me to see people how you did ...

“ *Anarbol and myself go back many of years we've had plenty of good times. It's supprises many of people that we've stayed friends all these years. That is what good friends do , we keep in close contact it's a shame that we didn't have the chance to hang out more often. I guess now you are at peace and not suffering in pain any longer. You were a good friend of mine and I don't have many, it's gonna be hard not having you around , but your memory will stay alive in a lot of us , may you rest in peace and rest with the angels , I'll keep you and your family in my prayer's.....much respect*
Sincerly.

“ My memories of Anarbol are some of the best ones. I have never forgotten his unforgettable smile and that laugh that as so contagious. Walking up and down our neighborhood streets just being goofy and always making someone laugh. I can remember his visits with my big brother Nick on our porch and him making everyone laugh. I am glad to have know such a kind, handsome, silly, outgoing human being. My childhood memories of him will be priceless.
To his family my biggest, deepest condolences to you all. I, unfortunately have suffered a big loss recently and know how heavy your hearts can be at this time. I hope God gives you all the strength you need at this time. Especially your parents. Loosing a child is unimaginably painful. May God Bless you
And I am soo sorry for your loss.

“ I just recently met Anarbol this past year through Rudy Medrano. He was always smiling and joking around. Every time on his way out the door, he'd say something crazy which left both of us laughing or chuckling. You and your Family are in my prayers, God Bless You my friend you truly will be missed.
Sincerely,

“ May, 02 2016 was a very tragic day my brother Anarbol, lost his life far too soon. He had a lot left to accomplish and it is sad that he isn't here with us. My brother was a wonderful man who lived his life to the fullest. I will truly miss your company and your presence. You always had me laughing and smiling. You always had something funny to show me or tell me. I know your memories will live in all of us as long as we live.
I love you brother.
