“ *I am always going to remember and miss you dearly, Its not going to be the same going to grandmas, not seeing you sitting on the porch ready to greet us with a smile as soon as we drive up. Going to miss your humor and of course the dance moves every time you heard music. I love you and will miss you, be sure to give my daddy a big hug and kiss for me as I know you 2 are together.. Love you Uncle Stacy*

“ As I sit here I am remembering all the good times we shared as uncle and niece, to be so far and have to get the horrible news of your loss literally broke my heart in pieces. It hurts me so bad that I cant be there in person to mourn with my family at this time. Just know tio that I am there in spirit to celebrate the trasition and birth of your eternal life. I love you and miss you dearly and you will always be remembered and never forgotten from you silly sense of humor to the funny jokes, and who can forget your crazy foot work (dance moves). You are in a better place so may your soul rest in peace and hold it down till we all meet again. Love you from your niece Mrs . Stephanie L.Ortiz-Mercado.

“ It was the shocking news, that brought tears to my eyes. And you made me remember what it was like to cry.
On that dreadful day, God decided it was your time,
your time to go, so He took your life...
we waited as if it was an eternity,
growing up with him every single
day or every other day wishing and
hoping that he would one day get
up and joke and play around with everyone....Our family will never
be complete with you ?? _krystle tapia

Today is a very sad day for me. I lost a friend, brother, a road dog, but most of all he took a part of my heart with him. God was calling for him. Save me a spot next to you my lil carnalito. Love you always Chef Robert Ortiz, Sr.
