

## Andrea Angelica Fuentez

April 25, 1984 - April 16, 2021

Andrea Angelica Fuentez was born on April 25, 1984 in Fresno, CA, and was called home to the Lord on Friday, April 16, 2021 in her hometown of Fresno.

She was preceded in death by her beloved mother, Rosemary, and is survived by her father, Phillip, siblings, Felipe, Angela, and Melissa, and Godchildren Natalie and Noel Soto.

Andrea graduated from the Edison-Computech program in 2002, and went on to Fresno City College and was enrolled in the Leon S. Peters Honors Program for one year. She then transferred to the University of San Diego where she graduated with a Bachelor's degree in Psychology with Honors.

After graduating she decided to stay in San Diego and created a second home for herself. This is where she flourished in building friendships throughout the community from her participation in social justice activism that began during her undergrad, but ultimately led to her involvement in volunteering her time with the San Diego County Cesar Chavez Commemoration Committee, a local non-profit. Andrea had the role of President of the committee for several years where she encompassed the values of Cesar by truly living by his principles of treating everyone with Dignity and Respect.

Andrea will be missed by all of the lives she was able to touch. Although her time here on earth was short, her legacy will always live on in each and every one of us. We will miss her charming personality, sharp wit, intellect, kindness, and passion for living life. Above all else Andrea proved to be a true Lupus Warrior, always said "yes" to life, and was selfless in always caring about the wellbeing of others despite the various medical challenges she faced.
