“ *We've shared some good times and I'll miss that. Everything about you was so funny , kind and sweet. Evan is going to miss you the most. You were always there to call him and tell him I love you. Thank you for always being there for us and helping out like you did . Also for being there and understanding his disability .. he loved your car rides to school . Dropping him off and picking him up. We love you. See you later ❤️.*

“ I will always remember that amazing smile and when he was happy  
there was not hiding it. I loved the way he’d answer a question with  
that smile and just the slightest laugh in his voice even if he hadnt  
been smiling before. He was loved and will be missed. Praying for  
peace in the hearts of those closest to him. All our love Aunt Gerry  
and Uncle Gabe ❤️
