Ángel, mi querido amigo, no tengo palabras y mi corazón está roto, ojalá tuviéramos más tiempo para hablar, acabo de volver a verte después de tantos años, hoy recuerdo que son fotos viejas de la escuela y cuánto tuvimos entonces, desearía que la muerte no hubiera tocado a tu puerta, desearía haberme contactado más, perdóname por no conocer tus luchas en ese momento para darme por no tratar de acercarme más, desearía la última vez que llamaste Yo pude verte, rezo por ti esta noche y todas las noches que vienen, por favor, descansa en paz, mi queridísimo amigo.

“ Dear brother, never forget that I love you and I will always love you and I will forever cherish the memories we shared. From the play fighting, to the drinks we had and hanging out at my house watching disney movies and watering my grass and helping me with the back yard for my baby shower. Every moment you gave me was precious to me. The last time pictures we took shows your big heart and love you had for me. You were so unbothered by the things that went on around the family, you didnt care and accepted eveyone for who they are. I will never forget the words we exchanged the last time I saw you now looking back felt like you were saying bye to me. I told you that I love you no matter your struggles and looked you looked at me and said to me "I know ,I love you too" as we hugged. At first I didn't understand why you came into my dream and you said your goodbye to me, but now I do. I'm honored you came into my dream as hard as it was you came to tell me how much you care and loved me. It's time for me to let you go even if it breaks my heart . This is not a goodbye but a i will see you in the next life. My nika roach, my brother, my mad doggie, thank you for the good times. Rest in paradise my loc dog.
With deepest love pipa ❤️
