

## Angel Ernesto Mora Lara

July 20, 1971 - August 22, 2025

Angel Ernesto Mora Lara was born on July 20, 1971, in Mexico City, Mexico. From an early age, he carried a strong spirit, a warm heart, and an enduring love for life that shaped the way he connected with others. Angel passed away on August 22, 2025, in Fresno, California, after a courageous battle with cancer. His strength and perseverance during this time were a testament to his character and the love he held for his family.

Angel spent many years as a manager at World Sports Café, where he built lasting relationships with colleagues and patrons alike. Later, he became the manager at Mimi's Café, where his leadership, kindness, and dedication to service left a lasting impact. He took pride in welcoming guests and creating a space where people felt valued and cared for.

A devoted Chicago Bears fan, Angel could always be found rooting for his team with unwavering loyalty. His enthusiasm for football reflected his optimistic spirit and his ability to find joy in the things he loved most.

Angel's greatest pride was his family. He is survived by his loving wife, Trina Luna, and his children: Marissa Mosqueda, Aleah Sanders, Danielle Luna, and Daniel Rivera. He is also survived by his parents, Hermelinda Lara Ocegueda and Ruben Ocegueda, who nurtured and guided him throughout his life. His memory will also live on through his grandchildren, Mia Mosqueda

and Zoe Rivera, who brought him immense joy, and through his siblings, Jorge Lara, Ruben Ocegueda Jr., and Alex Ocegueda and his wife Lisa, who shared in his life's journey.

A Celebration of Life will be held in his honor on Friday, August 29, 2025, at 11:00 AM at Impact Church, 2211 N. Fine, Fresno, California 93727.

Angel will be deeply missed but forever remembered for his kindness, his laughter, his dedication, and the love he gave so freely. His legacy will continue to inspire those who were blessed to know him.

“ I will always remember Angel with a huge smile because he was always cheerful no matter what. I first met him at Mimi's when Westerners needed a location to meet. He was kind, listened and solved our meeting place problem. Through the many years, I was honored to get to know Angel personally and share what was going on in our lives. The fact I am old enough to be his mother did not stop him from becoming my friend. Deepest sympathy to his much loved wife, Trina, whom he spoke so fondly of, and his children and grandchildren whom he adored. I will miss my friend.

“ I knew him when I was 14 as Ernie. Crazy so long ago. He was the first one to ever call me Goofy. Just told me one day Tanya your so goofy and it stuck. I had to have everything Goofy related. Now 30 years later I have an extensive Goofy collection. Anyways time went on. Lives changed. I didn't see Ernie for years and then one day my friend at work tells me about this great guy shes starting to date and guess who walks in - Ernie but now he's Angel ooh so sophisticated i told him lol but we hugged and it was like we had just seen each other. Like no time had passed and thats how he was. He made you feel you important and missed and liked and just so happy to see. I was so happy to see him and Trina get together. They were perfect for each other. The world is a little duller without Angel but his memory brings a smile.
