“ *I met Angelic while volunteering at St. John's. Although I didn't know her as well as others I knew her mom. Whenever I'd see her she always had a smile. Her name fit her as I always thought she was an Angel in this life and definitely will be an Angel in heaven. My heart and prayers go to her family.*

“ *I met Angelica through Luis Jr. back in the 80's when she was a wee child. I remember she was so tiny and cute. Some years later, due to a child, custody agreement, my son Jarrod and had the good fortune of spending a few Christmas holidays with the Gonzales family. They were like a second family to me and Angelica was like a little sister that I didn't have. By this time Angelica was was a young tween. She was so sweet and kind to my son, engaging and entertaining him. In the years that followed I only saw the family sparsely. However, enough to see her blossom into a bright, beautiful young lady. Still sweet and kind. She would always ask me, "how's Jarrod?" This is such a heartbreaking thing. When I look on those Christmas Days spent with the Gonzales family and Angelica, they were some of the best Christmas Days of my life. Enjoy your place in heaven Angelica. We'll miss you.*

“ We'll always remember Angelica's sweet, energetic disposition. Her smile and laugh made everyone feel seen and valued. I'm lighting a yellow candle because she was like sunshine every time I saw her!
