

## Angie Woods

October 2, 1939 - October 24, 2022

Angie Woods was born in Five Points, California on October 2nd 1939, and she passed away on October 24th of 2022, at the age of 83 due to complications from surgery. Angie is survived by her husband of 46 years, Frank Woods, and her son Gary Chaparro. Angie had eight children, eighteen grandchildren, and twenty four great grandchildren. In earlier years Angie used to love to go to the coast, just to put her toes in the sand. However, in later years after the passing of her children, she just wanted to live a quiet life. We were very much in love, and depended on each other totally. Angie was the love of my life, and it was my honor to be her husband. Angie was a devout Christian, and there is no question that Angie is in heaven today, and praising her Jesus. Angie always said she could not wait to get to heaven to ask one question of God, and that is, why he took her children. I hope you got your answer sweetheart. Those who chose not to be a part of her life, missed out on knowing a beautiful person. I knew her and she was a great woman, and I will miss her very much. I know that she is in no more pain and suffering and that gives me peace. She is a brand new person in heaven, free of what this world had for her. Praise God!
