“ *From Fernando Jr*

I went by Tia's house Saturday and saw the changes around it. Her house still looked the same to me. The memories came back, walking to the small store and buying candy, soda, ice cream my Tia telling us be careful so many cars going down that street. When my dad taking us to stay a week or two with our cousins. Me and Tommy climbing the fence to go swimming at the school behind the house. Seeing Henry, Carlos, Jr, Mario, Vicki going to the store walking one night past the cemetery with my cousins, my dad, Mario telling us he saw a ghost crossing the street. Funny and great memories. Good bye for right now Tia hopefully we can see ea other again. Love You.

*I dreamt of you last night. I had a condo at the coast. You were visiting me. You loved the sound of the ocean close by. Then, you asked me for some blueberries I had. You said you wanted them for Tommy, (your son), and I gave them to you. You said you needed to go, but that you'd return later, and stay longer...
I love you, Mrs. Alvarado. 💧*
