“ To The Gonzalez Family,

As we go through life we meet many people, but only a few of them are truly special. Armando was one of my special friends. He was like a brother to me. He was one I could share my deepest thoughts with & one I could talk with on a very understanding level.

We had many good times together, as well as some challenges, in the years we had known each other. I tend to remember the good times... times of laughter & times of successes.

Armando always had words of encouragement & he chose his words wisely. I will always remember Armando with that great big smile on his face & the laughter that came with it.

I am so sorry I could not be there with the family & friends gathering at the services for Armando, but I am so grateful that I came to visit with him last summer & to see many of the family & some old friends we shared. We made more happy memories together.

I will deeply miss my old friend.

Sincerely,

Dave De Angelis
