“ Art and I meet years ago when we both worked at the local Kmart. We had a short lived marriage however we both committed to being the best parents we could be for our daughter and provide as much love and support to our granddaughter Jae. You will forever be missed at our Halloween and Holiday parties but please know I will take the best care of our girls and we will keep doing what we always did together RIP Art.

“ Dad you were the absolute best support Jaelyn and I could have. I could count on you for anything. I miss my daily phone calls after work and texts throughout the day from you. I'll miss our hang outs and doing random stuff together. I could count on you to hype me up for anything and you always thought everything I did was “cool” and I appreciate that. I wish our time wasn't cut short, all I can continue to do in this life is be a good mother to Jaelyn and continue to have fun like you loved for us to have. For now, until we meet again. I know Nugget has the best dog sitter up there with him now. Give my grandparents a hug for me too. Love you dad.
