“ I love you grandpa, im gonna miss you. I'm glad i got to spoil you with a lot of lottery tickets before you went with the angels. I'll always remember when I first surprised you with lottery tickets last month and it was on a day where you didn't want to do anything or be bothered. I went to my dad's house and went to the room and showed you the stack of lottery tickets, i'll never forget your smile when you seen it and you thanking me. Also i won't forget when you got a winning ticket but didn't want me to see how much you won 😂 classic grandpa. I love you, rest.
