“ *Hey Marge, I remember Lonnie performing as Elvis. I joined the two of you for dinner, had a great time. Met Lonnie in 1975 when my daughter Sherri had to have him cut her hair because she was told he was the best. She was right. I just today heard about his passing and am totally in shock. Just saw the both of you at my daughter's memorial in May of 2015. You have all of the sympathy I can give to you. Jenny Rings-Couch*

Hadn't seen my uncle since back in 1975 and although we'd spoke briefly while he was in the hospital prior to Thanksgiving in 2015, it's only been until just recently I heard about his passing. Condolences to his family and May you rest in peace uncle Apache. Emilia Arias
