 Janie Estrada

“ I have lots of memories with my mom but the most recent ones that are the most precious to me are from this whole past year... Ever since we found out that she had stage 4 cancer I made every moment special with her... She holds a giant piece of my heart. And I am eternally grateful to the Lord Almighty for sharing her with us for my 42 years of life

Janie Estrada - December 11, 2019 at 11:33 PM

“ *My mom was the most precious jewel in this family if anyone needed anything she would be the one to come through for you. December 7th at 3:22 pm 2019 my vision of life itself was changed I was so lucky to hold my mom's hand at that minute when she entered eternal life. Mom you will truly be missed and I thank you for everything you showed us growing up I thank you for always being there for us and our kids you have showed us everything we know today none of us would be who we are if it weren't for you.*
