“ *J.J was one of the closest friends in my life. I've known him since I was 22 and I'm now 43....so, 19 years.... We had a brother/sister relationship and always looked out for each other. I will always remember him dancing like crazy to his latest favorite song. The song is called "be humble", I think.....he was so funny and being around him always brightened my day and he made me wanna be a better person. I love you JJ.....You will always be in my heart and I'll take and cherish your memory with me everywhere I go....Always your friend, Heather Renee Baer.....P.S. I also wrote the memory about the toilet you can read above*
