“ *I always liked Barbara and am so sad to hear of her passing. We both worked at the IRS. You could always count on Barbara's no-nonsense approach to pretty much everything and her sense of humor was dry and witty!!! Condolences* 😭

Thanks for that, I wish I would've known you knew my mom. I would've called her when we were in Arkansas and had you say hello.

I am saddened by Barbara's passing. We met at IRS in 87 and worked together many years.

She was always such a pleasure to be around. She was full of life and laughter, putting others at ease. I don't believe I ever saw her in a bad mood.

She was loyal to a fault and never tolerated disrespect. She was blessed with patience. Though I tried that patience many times in my youth, she never lost it with me. She just advised me in her calm, easy fashion. She spoke in a way that made one pause and reflect. I do believe she was the most non-judgemental person I've ever known. Her children were always the light of her life. She spoke of them all the time. I remember when she fell in love with Larry. She had stars in her eyes and a dreamy smile on her lips. She was so happy!

While I lost touch with her after her retirement, I know in my heart she was the same lovely friend I always had. Though she has moved on in her journey, her friendship will live within me, until I move on in mine.

With highest regards and much love.
