April 7, 1934 - August 9, 2018

Beatrice “Bea” Ascencio was born in Roswell, New Mexico on April 7, 1934 to Felipe Vigil and Lucy Lara. She passed away on Thursday, August 9, 2018 at the age of 84.

Bea met Narciso “Cisco” Ascencio in New Mexico where he was stationed in the U.S. Air Force. They were married in 1953 and soon had two children Ruth and Robert.

In 1957 the family moved to Easton. Bea was involved in her childrens activities in grammar school and high school. We could always count on her to be there. She was a homemaker and took care of the household while Cisco drove truck for a living. She loved the holidays because the grandkids, family and friends were all together. She loved us all and she will be missed very much.

“ *I want to thank you for all the great memories and everything you have done for me, It's hard for me to accept that you are gone, it doesn't feel real to me it feels like a dream. The holidays are going to be hard to celebrate without you especially Christmas, I miss the days when we use to have it at your house and you would be in the kitchen cooking everyone would sit in the kitchen and laugh and joke and tell stories with our other family (the Anderson's). That is one good memory I have out of so many.... I love you very much and I will miss you like crazy, no more suffering now your at peace with your brothers and sisters. I will see you again someday, Rest in paradise my beautiful angel...*

You are my Sunshine
