“ To My Precious sister Beatriz. You were my best friend growing up. I Love you so much. We laughed, played and worked on the farm together. God blessed me with wonderful memories of you that remain in my heart to this day. Though we lived in different states - I in Texas and you in California - as we became older, there was still that connection and Love we have for one another. Thank you, my precious sister, for always being there with encouragement, love, and support.

Your Loving Older Brother,
Arturo Turner

“ My sincere condolences. Beatriz was a loving grandmother and a hero to her granddaughter Jasmin Mercado. Jasmin loved her grandma so much and learned how to cook and make tortillas at a very early age. Jasmin's love of animals was instilled by how her grandma cared for them. May Beatriz rest in peace as I find comfort that she will be with my daughter.
