“ I will miss you brother! You always brought light into the room, and no matter how upset I would be about a situation, you always put things into perspective and made me laugh. Heaven is getting one of the best!!...Keep the Angels laughing my friend!! Until we meet again....

“ I am the Superintendent of Signals and I will certainly miss Bert calling me all fired up that "My Maintainers" are doing this or doing that and they better straighten up or else. We would argue for about 10 minutes then always ended up laughing. May you rest in peace my friend you will be missed.

“ Ohhh Tad, my memories of you are wonderful, we had such a good time with you while we lived in Vegas and you came to visit as much as possible, We are cousins for life , and till we meet again I will treasure our time, my only regret is we didn't have more time with you . And how many times you asked me to come out to Ca , I wished I had, You lived your life as you wanted , you were a old soul, in a young body, my funniest memories are of you watching the Golden Girls in my living room , and you laughing so loud , you woke everyone up , I will miss you my crazy cousin, as we always said to each other as we hung up from a 2 hr phone calls !!! LOVE YOU BUNCHES !!! xoxoxoxo

“ *To the family and friends of Bert Frazier, I had the distinct pleasure of working with Bert for 16 months a few years ago when TASI took over Caltrain from Amtrak. One of the kindest, most genuine people I've ever had the pleasure of sharing the ups and downs of life operating a passenger railroad with. He was the consummate professional who promoted relationships of trust and respect and regardless of the situation, remained unflappable. Our industry lost an exceptional person and we lost a wonderful man and true friend.*

*My thoughts and prayers are with you in this, your hour of need.*
