June 13, 1939 - April 26, 2021

A memorial service for Betty Jean (Swan) Huerta, a long-time resident of Sanger and later Hanford, is scheduled for 10:30 a.m. Friday, May 21, at the First Presbyterian Church, 415 N. Redington Street, in Hanford.

Betty passed away April 26 at the Kaiser Permanente Medical Center in Fresno. She was 81. Betty Jean was born June 13, 1939, in Sanger to John Swan, a former constable of Del Rey, and Fay Erma Swan. She was 81.

Betty was a retired lab technician at Seabrook Farms in Sanger. She was a volunteer at the First Presbyterian Church in Hanford, serving in the office and two children's programs, including Awana International. Since November 2019, she was a resident at Pacific Gardens Nursing and Rehabilitation Center in Fresno, where she felt at home playing piano and sharing treats with roommates and staff.

Mrs. Huerta was preceded in death by her long-time partner, Robert "Bob" Provencio, of Hanford; and Daniel "Danny" Huerta of Sanger, the father of her four children. She is survived by her children: Mitchell Huerta (Jenni Watkins), of Salinas; Michelle Takeshita, of Friant; Michael Huerta (Rosie), of Sanger; and Melissa Felder (Ken), of Friant; seven grandchildren and two great grandchildren.

Remembrances can be sent to the First Presbyterian Church in Hanford or the Historic China Alley Project in Hanford (chinaalley.com). To honor Betty Jean, the Huerta family suggests hanging a hummingbird feeder, a wind chime, or planting a rose bush. The family would like to express gratitude to Betty Jean's neighbors, church friends, and life-long Sanger friends.

“ *Mama Betty my heart is broken. My heartfelt sympathy to Shelly, Mitchel, Mike, Melissa and all her grandchildren. So many years of phone calls, bisits, plying rummy, lunches, dinners, etc. I will never forget how Paul took me to go meet your mom, he wanted het approval before he asked me to marry him. Well, we became great friends. Your mom was so special to us. Ot seemed we wouldn't talk for months. Then I would call or mama would call me and we picked up right where we left off. I loved that. Rest In Peace on Angels Wings❤️ Love you mama. Paul and Rosalinda Hammerschmidt*

“ My heartfelt sympathies to Betty Jeans’ family. Betty Jean and my mother, Eleanor Stouffer Gumber, were first cousins. I always remember Betty Jean had a giggle that was contagious and a twinkle in her eye. And although we did not see each other very often I did think of her and the times we shared at get togethers in Del Rey.

Sincerely,
Sharri Gumber-Carter
