

Bill Raterman

June 29, 1961 - February 15, 2025

Bill passed away on February 15, 2025, with his wife, Ramona, by his side. He leaves behind a large family of step-children, grandchildren, sisters, nieces and nephews, in-laws, and many friends. He found his niche working alongside his father in building T & M Hazardous Waste, eventually running the company for the last 20 years, making memories and friends along the way. He so loved going to his cabin with his wife and dogs and fishing on the lake. Ramona would like to invite those who knew Bill to a celebration honoring his life on March 21, 2025. It will begin at 11:00 AM at St. Mary Queen of Apostles Church in the social hall in Fresno, CA. In lieu of flowers, please consider a donation to either the Poverello House or St. Mary Queen of the Apostles Church.

“ Bill, you are truly the love of my life. I miss you everyday and thank you for giving my life meaning and much happiness. I see you in everything that you touched in our life together. Wish you were here to see the gardens. You would have a smile in your heart. I will always love you. Babydoll

“ I worked with Bill for over 10 years. He was a friendly person, who was always welcome. I trusted him to handle our haz waste, and knew I didn't have to worry as long as Bill was in charge. Later, I worked at Kaiser, and would see him when he came in for blood work. What a nice family guy. Loved his family, loved his business, loved his customers. His integrity and friendliness will be missed. Much love to his family.
