“ *There is so much to be said about this amazing man. He was one of the greatest men I knew. He had a heart of gold and was always so caring. He always checked on Josh and me to make sure that we're doing okay. Whenever Brayden would come over, Pa always wanted to see him and make sure he was eating enough haha. Pa became a huge part of our lives and I greatly appreciate the time we had with him. He was such a wonderful man who loved his family unconditionally. We always felt so included and loved by him. His smile was so contagious just like his laugh. I'm going to miss him and miss seeing him every day with his big smile.*
