“ *I just tried to send a rather long post about meeting Kong at BCF recently. About how he shared the Coffee with Tea combination with me, and his friendship as well. I did not know him long but I was blessed to know him, and I pray that he was not to displeased that he "received a huge raise". My prayers go out to all of your family and I only wish I could have known him longer. He was a wonderfully funny guy of my age and I will miss him greatly!*
