“ *I met Brian back in 1974 when he was in the Army and came back with a friend for a weekend visit to my hometown, Claremore, OK. I will always remember the good times we shared. There was a group of 6 of us that went to the Tulsa State Fair. He stayed with my husband and I for a short time after he was discharged from the Army. After he returned to California, we lost touch. He did contact me back in 2009 when he heard my husband had passed away. I was very touched that he made that effort to call me to express how sorry he was to hear of Michael's passing.*

*I am so very sorry to hear of Brian's passing. Please accept my sincere condolences.*
