“ This is for someone that I love.. it hurts to say that she’s resting up above .The last words that you said were the words to the song young dumb & broke.. now your with the angels chillen there with out me. 🥺💔 you were way to young, way to young to go out like that.. goodbyes hurt the most when the story isn’t finished 🌈🙁😞 your life is something that I’m glad I witnessed best friend I promise that I won’t let any memories deminish❤️🖤🥺🙁 your smile was so bright it lit up the whole room. “ Where do I begin? Let's start off saying you were like my baby sister. I remember when I would be out of school and go to granny's house and your mom would get you and your siblings ready for school and your mom would ask me to wait with you by your classroom every morning so you were never alone. I know you two are together again and you are never alone. I love you so much bonna. You would always bring a laugh and smile everywhere you went. You brought us all together and I hurt every day knowing I wont get to see that beautiful smile of yours, that laugh that keeps everyone laughing. Kiss everyone for me and this isn't a goodbye baby cousin this is I'll see you later. Forever you'll be in my heart always. I can't wait to see you again. I love you bonna -cousin Alex Ramirez
