“ For years OF trying to locate my dear good friend and compadre, I finally found you Pare, but not this way. IT was a big dropped of weight into our heart upon knowing your passing away. I still remember dropping lines to my godson Jeramiah about your whereabouts but I never heard back from him, assuming everyone was ok. We missed you Pare, and our prayers Will always stay with you. I am so proud knowing you as our very good friend, me as the godfather of your son, Jeramiah, and a fun Lovi ng workmate at NAS Alameda. God has a great plan for you, Pare for taking you with Him at your early time. Rest In Peace Pare ko, and God Bless you 🙏
