“ *Dear Bruce, Sean and family. We were so saddened to hear of the death of Carol. Since Sean and Ryan were just little tots and school-friend buddies, Carol and I became friends. I loved her easy going ways, her laugh and smile. After the boys grew up, I kept up with her on Facebook, enjoying the things she shared, especially her relationship with Jesus, her family, especially the granddaughters....and her funnies. I regret not actually physically seeing her and talking with her all those Facebook years. Her life was too short here, but God had other plans for her....and for her family as well. May God bless you with precious memories of her and for peace and comfort for everyday.*
