“ When we were in our 20's Carol and Ed's children, Shelly and Carla, and my children, Kelly and Craig, were very young, I remember how on weekends we would get together at one or the other of our house and put the children to bed. Then we would play cards all night on Fridays. We would spend Saturday with the children. After they were put to bed Saturday night, it was back to the cards table of the 4 adults.

*I am not sure that Kelly or Craig would have ever been potty trained if it were not for Carol and our Mother. I worked and would drop the baby (s) off at Carol's house until the training was complete, Shelly, Carla, Todd and Carin - I will miss your mother every day. I am sure you will also. She was the mainstay of our whole family. Love you all!*
