“ Grandpa..... I really wish you were here. I could tell you everything. Now I have no one. Im alone for reals.Its sad how instead of helping or offering to help people choose to gossip and think they are better than anyone else. I miss you so much. Its hard to be without you. I always felt safe and unstoppable because you always had faith in me and built me up while everyone else wanted to knock me down.I love you grandpa.

“ *My grandpa...I was not able to say good bye in person and I am so sorry for that. You were my one and only to always encourage me and show me real unconditional love. I could tell you everything and I did and you would scold me but with love and no anger or disappointment. Now that you are gone I have no one to show me that love. The day you left was the day my life would always be broken. I promise to make you proud of me grandpa. Everyone seems to doubt me but I know you believe in me. I will always love you and think of everyday. Thank you for always being my grandpa.*
