“ *Cathy, my life long friend. I cannot believe you got promoted this soon! You still had so much life to experience with those of us that love you. I have many memories of us together that I will cherish forever. Thank you for your loving friendship and loyalty. I miss you dearly being here on this amazingly beautiful planet; but I can't even pretend to imagine the Majesty of Jesus' home and you relishing and experiencing all of the promises he shares with his flock, of which you belong. I was with you at our youth recollection when we both accepted Jesus and received the Holy Spirit. What an incredible moment that was, remember girlie?! Gf, you will live on in my memory and in my heart forever, until we meet again as friends for eternity. May Almighty God's light of love engulf you for eternity. I love you Cat! 🍷🌿✝️🕯️*

“ *Catherine, my dear friend from way back in the 80's. I can picture Elsa & Gabe Avila (sister & brother for those who didn't know them) both welcoming you as you walked through the pearly gates. Until we meet again, Rest in Peace.*

Cathy. Remembering the good times, and there were so many. Sad to hear the sad news. Rest in Peace until we are all together again.
