

Cathleen A. Craycroft-Glenn

September 12, 1947 - November 13, 2024

Cathy was born on September 12, 1947 to Vida and Lyle Glenn in Fresno, California. She passed away at her home in Fresno on November 13, 2024. She will be missed.

She attended Roosevelt High School and became a foreign exchange student living in The Netherlands where she excelled in several languages. After graduating from UC Santa Barbara with a degree in Theatre Arts, Cathy returned to Fresno and became involved with theater and set design at Fresno State College, as it was then known. It was here that she met many talented students and individuals involved in theater production and the performing arts. Cathy was a member of the original Good Company Players which performed and produced numerous musicals in Fresno and where she demonstrated her skills at set and costume designs as well as performing. Her creativity served her well as she later became a talented artist. The English Cottage paintings, still life, floral designs and Victorian house pen and ink drawings are appreciated still today.

Cathy married Gary J. Craycroft in 1993. Together they enjoyed their many cats and entertaining friends and family at home. Both Cathy and Gary, being deeply concerned with animal welfare, contributed to many animal charitable organizations.

She was preceded in death by her parents, Vida and Lyle Glenn.

Cathy is survived by husband Gary; brother, Mark Glenn; step-children Callie Craycroft Biggar, Bradley Craycroft and Jared Craycroft; nephews Daniel Glenn and David Glenn.

On Friday, November 29, 2024 a Private Burial will take place at Belmont Memorial Park followed by a Memorial Service and Reception at Chapel of The Light Funeral Home commencing at 11:30 a.m.

“ I'm so sorry to hear of her passing. Cathy was one of the seven of us to be AFS (foriegn exchange students) in the Netherlands in our senior year of high school. We've been in touch with each other through the years. She was a dear friend and like a sister. I will miss her, her humor, and her warmth. My sympathy goes out to both her US and Dutch families.

Cathy and I were actually in the same town in the Netherlands during our American Field Service foreign exchange student experience. Cathy was at the public school in Middelburg, Zeeland, and I was in the parochial school. Dick just called and informed me of her passing. Cathy was a warm and delightful person and always joked about how busy she was in her "Cat House!" She will indeed be missed.

To my beloved cousin Caty, I tried calling you so many times... day after day, week after week. At first, only the voicemail answered. Then, silence. And finally — the number was disconnected. Deep down, I felt something wasn't right, but I didn't want to believe it.

You were so special... full of spirit, warmth, understanding. Your humor, your advice, your voice — they lit up my days. Every time we spoke, the world felt lighter.

You weren't just my cousin. You were my joy, my comfort, my bright moment in the day.

Now there's an emptiness. And memories I hold onto like precious treasures.

Rest in peace, my dearest Caty. You will live in me forever.
