“ *I will always remember Celsa's bright spirit and the energy she put into everything she did. I worked with her when I was at the Lori Ann Infant Center and always looked forward to consulting with her when we had a visually impaired child to discuss. She was a friend as well as a colleague. It is impossible to believe that she is no longer with us. A shining star has left the earth but I know shines bright in heaven. Blessings to to you, Scott and to your family.*

I will remember her forever and I promise to always try to look at life and others with the JOY & KINDEST she always did.*
