

## Charlene Marie Flores

January 6, 1991 - October 24, 2018

Charlene Flores was born in Stockton, Ca. January 6, 1991. She was a sweet, caring loving young lady who grew up to be a remarkable woman. Charlene was known to have always put others before herself, especially her kids and family. When she was young girl the doctors said she has a heart murmur but she still lives as a happy little girl. Years passed and she grew up to be a great and wonderful person.

In 2006 she gave birth to her 1st baby girl Lanyssa Taidym Vasquez. Whom was raised to be a sweet, loving and caring child just like her mother. Two years later Charlene needed to have a her valve changed to get her heart pumping correctly. A year later she met the love her of her life Elesandro Flores Jr who is a wonderful man and a tremendous father and his daughter kiara Alixzandria Flores whom she loved and cared for as her own daughter. Then a year later Charlene and Elesandro had another beautiful baby girl name Adriene Leilani Flores. Which they both thought was their last child to conceive.

Charlene and Elesandro raised all 3 girls in a loving home together. In 2017 she started getting sick not knowing what was wrong with her, Charlene continued to be a wonderful wife and mother, and Two months later she couldn't stand being sick so her Husband Elesandro took her to the hospital to see what was wrong with her. She developed blood clots in her heart and

legs, so the doctors had to do emergency surgery to change her valve and put in a pacemaker. She recovered and felt better but two or three months later Charlene laid down after her husband left to work because she was not feeling well, Her 7 year old daughter Adriene then went into the room to ask her mother a question and notice her mother was not responding so she then called her big sister Lanyssa the older daughter and said mommy is not waking up Lanyssa then ran next door for help from the neighbors. They called 911 and responders arrived got her heart started. Charlene was in a coma for 24 hrs, and she finally opened her eyes. For 2 weeks she stayed in the hospital, the doctors had to replace another pacemaker. Soon enough she went home. And In April of 2017 she was surprisingly ever so happy that she found out she is carrying another child which is now her 3rd pregnancy.

In the early stages she was doing really well, going to the doctors every week. And then on October 24th she started having contractions and her husband took her to the ER. The doctors told Charlene she has to go into premature labor. So Charlene Face Time her loved ones that she was getting ready to give birth. Then came complications Charlene then needed an emergency C-section. And then at 10:00 am Charlene welcomes a gorgeous beautiful most precious baby girl name Quinn Neveah Flores into this wonderful journey of life. Charlene then started to have more complications she had DIC excessive bleeding and her blood pressure then started to drop low, her pulse started to phase out and before you knew it the doctors found their selves trying to save her life and mommy couldn't pull through and doctors and staff did their best to save her life but it was all too much for Charlene and she was not able to pull through, and we lost her, The hardest day for her husband and children.

Charlene leaves behind 4 beautiful daughters and a remarkable husband.
