“ My sweet friend Cherie,
I can't even find the words to express how sadden I am about your passing. What brings me comfort is to know you are no longer suffering. You were an amazing person, beautiful inside and out. I will never forget your kindness, your friendship, your smile, contagious laugh and our daily talks when we were up at the GI Lab together. You will truly be missed and I pray that God grants your family, Gina and the boys the strength to get through this very difficult time. Rest in paradise my friend. -Pamy

“ I was heartbroken to hear about Cherie passing away. I had the pleasure of working with her at the Tulare VA Clinic. I absolutely adored her. She was so sweet, caring and a genuinely sincere person, but was also full of spunk!! She was awesome at the front desk and could handle anything that came her way! Cherie loved her family and always talked about how proud she was of her boys. I can not imagine how devastating this must be for her loved ones. I am so sorry for your loss. You all our in my thoughts and prayers!!... You will be truly missed "Cherieezy", my dear friend! XOXOXO!
