“ *Christina. I'm so thankful we were able to reconnect after too many years...I oved having you over for Christmas Eve few years ago and laughing so hard about our elementary days. You always could make me laugh until I cried...you were funny and so caring. I'll always remember the little girl in first grade with her red dress walking into Mrs. Kaser's class with such sass and attitude, never wanting to abide by any rules...we had good times. I'll miss you my friend*
