

## Christine Denise Ferniza

June 30, 1960 - September 24, 2020

Our mother, Christine Ferniza, gone too soon at the age of 60 years old, lost her fight with COVID-19 on September 24, 2020.

Our mother was born on June 13, 1960 in Fresno, California. She was one of five daughters born to our grandmother, Alice Ferniza and our grandfather, Johnny Ferniza.

Christine was known for her strong, loving heart, her never-ending sense of humor and her great cooking. She was always trying to feed everyone and help anyone in need. She was also known for being sociable, and those who knew her well agree that one of her passions and greatest gift she had was in ministering to the youth.

Christine is survived by her husband, Abel Anaya, her five children, Johnny De La Cruz, Sandra Cerda, Johnelle Aguilar, Ricky Ruiz, Carlos Castanos, her stepchildren, Alicia Anaya, Samuel Anaya, 11 grandchildren, 3 great grandchildren and 4 sisters, Linda Chavez, Julie Navarro, Sally Hernandez, and Abby Ferniza.

We will keep our mother's memory alive through the good times we had with her and in the lives she changed with her love and care.

Until we see you again, Mom, we shall keep you close to our hearts. We love you, Mom!

Due to Covid please contact the family.

“ You gave me life, Mom, and for that I thank you. Your love was the purest and I know the love you gave me I'll never have that same love from anyone else. You taught me to stand on my own and stand up for what I believe in and to have a backbone. In your last days you still gave from your heart and went out of your way to show love, kindness, and compassion. I will miss your earthly presence and your messages and talking to you. I will help Johnny with your precious doll, Mila and watch out for W. You are missed so much by me and the girls. I love you I love you I love you!!! Xoxo ~your Sasha

“ *My mom was the strongest woman I know. She loved hard and at times fought hard through the difficult times she went through, through out her life. But no matter what she would always get back up and keep going. She was always the center of attention. My mom loved to Joke around and make people laugh. She was very forgiving, loving and gave even when she had nothing to give. My mom loved her sisters, children and grandchildren. Mom a piece of my heart is gone. I love you and miss you so much. 💜*
